

## **Murchison Minerals Retains CHF Capital Markets**

**Toronto, ON, July 20, 2020** – Murchison Minerals Ltd. (“Murchison” or the “Company”) (TSXV: MUR) today announced that it has engaged CHF Capital Markets (“CHF”), a highly-regarded Canadian investor relations and capital markets firm.

Jean-Charles Potvin, President and CEO of Murchison, commented: “Murchison just announced the commencement of our summer exploration program at the Brabant Lake project in Saskatchewan, and we will also be doing some work on our HPM project in Quebec, so we expect a good news flow in the coming months. We feel that now is the right time for us to connect with a broader network of mining-savvy investors and investment advisors to get more eyes on the story. We are delighted to be working with Cathy and her team at CHF, whose solid connections, knowledge and professionalism will serve Murchison well, as we continue exploration activities on our exciting properties.”

Effective immediately, the service agreement with CHF for investment community outreach, corporate communications, stakeholder engagement, and social & digital marketing is for a fixed term of twelve months ending July 14, 2021. Thereafter, the contract may be extended month to month with a two months’ cancellation notice. Under the terms of the agreement, which is subject to TSX Venture Exchange approval, CHF will receive \$6,000 per month in fees, reimbursement of approved expenses and 400,000 stock options exercisable at \$0.10 cents for a period of 5 years. The options will vest over 12 months with 25% every three months. Upon termination of the services agreement, stock options will be cancelled after 30 days, as required by the TSXV.

### **About Murchison Minerals Ltd.**

Murchison is a Canadian-based exploration company focused on the exploration and development of the 100%-owned Brabant-McKenzie zinc-copper-silver deposit and surrounding land package in north-central Saskatchewan. The Company also has a 100% interest in the HPM nickel-copper-cobalt project in Quebec.

Additional information about Murchison and its exploration projects can be found on the Company's website at [www.murchisonminerals.com](http://www.murchisonminerals.com).
